FOR IMMEDIATE RELEASE

SPATIALinfo Announces Scott M. Schley as Chief Financial Officer

Englewood, Colo., January 5, 2009—SPATIALinfo announces Scott M. Schley as Chief Financial Officer. Scott has nearly 30 years of experience in finance. During his career, he served as the vice president of finance, treasurer, and chief financial officer of the Convergent Group Corporation, formerly an industry leader in the integration of network management systems, and is a co-founder and investor in many other successful business ventures.

“The breadth of Scott’s financial expertise and experience both within and outside our industry, including strategic planning and access to capital markets, are a valuable asset for SPATIALinfo. His skill sets are ideally suited to help guide the company through its ongoing rapid growth and emergence as the industry leader in developing network management solutions. We’re happy to have him on board,” said Chief Executive Officer Greg Foster.

Schley was a crucial player in leading Convergent Group Corporation through its successful IPO in 2000. Prior to Convergent Group Corporation, he was the chief financial officer and executive vice president of operations for the John Madden Company in Denver, Colorado.

Schley is a Colorado native, with a B.S. in Accounting from Colorado State University and a CPA designation from the State of Colorado. He enjoys playing golf and tennis in his free time. Scott and his wife have four children and currently live in Lone Tree, Colorado.

About SPATIALinfo

SPATIALinfo specializes in developing network-management software solutions for the cable, telecommunication, utility, and transportation industries. Our **spatialSUITE™** products make it easy for professionals to map, modify, model, and manage complex fiber, copper, and RF cable networks. With strong partnerships and loyal customers, **SPATIALinfo** has become an international leader in developing off-the-shelf network-management solutions that offer a proven return on investment.
